In Ukraine, students are very good at gymnastics, swimming and athletics. We like doing sports because they help people to be more disciplined and healthy. We also like doing other things that are different from sports. For example, sewing's an exciting activity in many schools in Ukraine. It's very difficult for me. My sister's really good at it, but she doesn't like it. She likes dancing. She likes salsa, the Latin dance. It's a bit hard for her, but she practises every day.
